PROGRAM POLICIES

ACCIDENT/INJURY

Any injury a child receives while in the care of Y staff will be documented in writing and followed by an immediate phone call to the parent/guardian to determine whether the child should remain in Y care or leave to receive further medical treatment.

BEHAVIORAL MANAGEMENT

Our staff will set limits for your child that will encourage responsibility, respect, honesty, and caring. We believe that all children are capable of listening, following directions and respecting others. The rules we set and disciplinary measures that we take are for the maintenance of safe order in large groups. The following list is a brief statement of our discipline policy:

1) No child shall be insulted, belittled, demeaned or embarrassed. When possible, children will be called from the group and spoken to quietly and directly.
2) Exclusion from participation (Time Out), when used as discipline, shall not exceed ten minutes at any time. Punishments will fit the inappropriate behavior.

CROSSROADS YMCA BEHAVIORAL WRITE-UPS:

The following offenses will result in an immediate behavioral write-up, but are not limited to:

1. General unwillingness to obey staff or staff requests
2. Any violent behavior with the intent to harm another staff member or child
3. Intentional spreading of bodily fluid
4. Biting
5. Offensive/Inappropriate Language

Upon receiving a behavior write-up, parents will be notified and may be required to pick up their child immediately. After receiving three behavioral write-ups in a program year, the child will be suspended from the program for 3 days. Any behavioral write-up received upon returning from a suspension may result in removal from the program.

CHILD ABUSE

The YMCA takes seriously the importance of the protection and safety of the children involved in its programs. Child abuse is a special concern of the Y, because of the organizations role in promoting the personal growth and development of children and families. The YMCA will document any incident of abuse in writing and report in accordance with relevant state or local child abuse reporting requirements and will cooperate to the extent of the law with any legal authority involved.

ELECTRONICS/TOYS

Please leave all electronic devices and toys at home. We will follow a schedule of predetermined activities each day and will not allow children to play with toys from home during this time. Anything brought to the Y from home must remain inside your child's back pack. The Y and its staff will not be held responsible for any items brought from home that are lost or broken.

FOOD/LUNCH/SNACKS

Food and lunch programs are different at each Crossroads YMCA branch:

Griffith-breakfast & lunch is provided

Hammond- breakfast & lunch is provided

Southlake-your child should be sent with a sack lunch each day of camp or lunch is available for purchase. We will also have snacks available for purchase each day at a designated time listed in our daily schedule.

Whiting-breakfast & lunch is provided. Your child should be sent with a sack lunch for Adventure Camp field trip days.

ILLNESS POLICY

Children are not authorized to attend Y programming if they have an illness or other contagious symptoms. Once given authorization from a supervisor, staff will have the right to request a doctor's note before a child may return to the Y. Please notify staff immediately if your child displays any symptoms of any communicable diseases or contagious conditions. In order for your child to be allowed to return to the program after being ill, your child must be fever/symptom free for at least 72 hours.

MEDICATION POLICY

The only medications we are authorized to distribute are inhalers and epi-pens.

OUTSTANDING BALANCES

All outstanding balances must be paid before any child care services will be provided.

PAYMENTS

All childcare payments are to be made by the previous **Wednesday**. Payments made after the previous **Wednesday** will incur a $20 late fee per week. Adventure, Junior Leaders, and Specialty Camps are paid for an entire week and payments are not pro-rated or refunded due to illness, vacations, or other absences. Registration fee pays for supplies for the summer, and does not guarantee a spot in camp until the week's full payment has been made.

SHIRT REPLACEMENT

Children who attend Adventure Camp & Junior Leaders are required to wear their 2021 Adventure Camp Shirt on trip days. The YMCA provides one shirt for the summer. Parents are able to purchase additional shirts for $10. If your child does not have a shirt on a trip day, you will be charged for a shirt replacement.

SIGN IN/SIGN OUT

We require that an adult over the age of 18 to accompany each child into the building upon signing them in and out each day. Upon pick up parents and any other specified adults on each child's pick up list will be required to show a photo I.D. Anyone who is not listed on your child's pick up list or fails to produce proper identification will not be allowed to leave the building with your child. Visitors will not be allowed unless arrangements are made in advance. **Any child that remains at the Y after the specified dismissal time will incur an additional fee of $1 per minute.**

SWIMMING

Our summer camps swim as often as possible. See the schedule for your child's specific swim schedule. Camp counselors will accompany the children to the locker room and pool. Children in camp must be able to handle their own dressing needs—counselors are unable to dress children. Since campers enjoy swimming during their day, we ask parents to plan pick up times around their child's swim times, or have the child not swim that day.

TRIP ATTENDANCE

Children who are signed up/paid for an adventure camp week, must attend trips on trip days. **If you wish to have your child stay back on a trip day, you will be charged a $30 missed trip surcharge.**

BEHAVIOR GUIDANCE POLICY

Crossroads YMCA

Our top priority is to provide a safe and enriching experience for all children. To do this, we must work together to develop the best plan for each individual child. In order to ensure this positive environment, we may not be able to serve children who repeatedly display disruptive behavior. Disruptive behavior is defined as verbal or physical conduct which requires constant attention from the staff including, but is not limited to: hitting, kicking, spitting, hostile verbal behavior and other behaviors which will hurt another child or staff member, and attempting to leave the program space.

In response to these behaviors, we will not use:

- Threats or bribes
- Physical punishment, even if requested by the parent
- Deprivation of food or other basic needs
- Humiliation or isolation

In response to misbehavior, we will:

- Respect your child
- Establish clear rules
- Be consistent in enforcing rules
- Use positive language to explain desired behavior
- Speak calmly while bending down to your child's eye level
- Give clear choices
- Redirect your child to a new activity

YMCA Program Expectations

- Speak for yourself
- Listen to others
- Use put-ups; not put-downs
- Care for others, the property, and yourself
- Be honest
- Show respect for all
- Be responsible for yourself
- Do unto others as you would have them do unto you

Our goal is to work together with the child and family, as well as the school personnel when deemed necessary, to address and modify any behavior concerns; however, if a child cannot display appropriate behavior, then he/she may be removed from the program. A child may receive up to three written behavior reports; after a third written report is received, the child may be removed from the program until a parent conference is held. The parent conference may include the parent/guardian, program director, site staff and the child. The child may be allowed to return to the program after the parent conference and a behavior guidance plan is developed. If a child receives a fourth written warning we may ask the family to make alternative child care arrangements for the remainder of the current school year or camp season. Please note that all behavior management plans are based on the individual child and situation and we reserve the right to adapt procedures accordingly.

Occasionally, despite program modifications and efforts to accommodate children, it may be determined that YMCA programs are unable to meet the needs of a child. If a child's participation poses a significant risk to the health or safety of self or others, which CANNOT be lessened by modifications in policies, practices or procedures or the provision of services, a child may be removed from the program.

As a parent/guardian, you may have some concerns or wish to offer suggestions on the lines below. If so, we may modify the plan below with agreed upon suggestions. (Please attach more documentation if needed)

ELECTRONIC USE POLICY FOR CROSSROADS YMCA

Parents who wish that their child use a personally owned digital device within Crossroads YMCA branches and remote sites must read and sign this agreement and submit it to the YMCA with registration paperwork.

The student takes full responsibility for his or her device and to keep their device safe at all times. The YMCA is not responsible for the security of the device. The student is responsible for the proper care of their personal device, including any costs of repair, replacement or any modifications needed to use the device at the YMCA. Violations of any YMCA policies or procedures involving a student's personally owned digital device may result in the loss of privilege to use the device in the YMCA and may result in disciplinary action. The student must comply with a staff member's request to stop using, shut down, or close the screen of the personal device when asked. Students are not permitted to use any electronic device to record audio or video media or capture still images of any student or staff member without their permission. The distribution of any such unauthorized media may result in discipline including but not limited to suspension, criminal charges, and expulsion. Nor can any images or audio/video recorded at the YMCA be transmitted or posted at any time without the express permission of a staff member. The student should only use their device to access information for educational purposes. The student will use the YMCA's wireless network while on the school campus. Student personally owned digital devices and content including messages and digital photos, may be searched by the staff of the YMCA under limited circumstances. Specifically, staff may search student personally owned devices including accessing and reading of their messages and digital images, if the staff (1) have reasonable suspicion, based on objective and articulable facts, that the search will provide evidence that the particular student was violating either the law or a YMCA rule; and (2) the scope of the search is reasonably related to the objectives of the search and not excessively intrusive in light of the nature of the infraction.

Special Dietary Needs Form

Complete and submit this form to Griffith Family YMCA. The parent/guardian/adult participant will complete part 1 and 2, and the physician or medical authority (physician's assistant or nurse practitioner) will complete part 3. Refer to the information below for clarification. Attach a sheet with additional information if necessary. If changes are needed, the parent/guardian/adult participant is required to submit a new form.

GUIDANCE

Disability:

USDA requires substitutions or modifications in CACFP meals for participants whose disabilities restrict their diets. The definition of the term "disability" has broadened and nearly all physical and mental impairments constitute a disability.

Section 504 of the Rehabilitation Act, the Americans with Disabilities Act, and Departmental Regulations at 7 CFR Part 15b define a person with a disability as any person who has a physical or mental impairment which substantially limits one or more "major life activities," has a record of such impairment, or is regarded as having such impairment. (See 29 USC § 705(9)(b); 42 USC § 12101; and 7 CFR 15b.3.) "Major life activities" are broadly defined and include, but are not limited to, caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working. "Major life activities" also include the operation of a major bodily function, including but not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions. (See 29 USC § 705(9)(b) and 42 USC § 12101.)

A physical or mental impairment does not need to be life threatening to constitute a disability. It is enough that the impairment limits a major life activity. Further, an impairment may be covered as a disability even if medication, or another mitigating measure, may reduce the impact of the impairment.

Forms or medical statements for disabilities must be signed by a licensed physician, physician's assistant or nurse practitioner and must identify: the child's medical condition; an explanation of why the disability restricts the child's diet; the major life activity affected by the disability; the food or foods to be omitted from the child's diet, and the food or choice of foods that must be substituted.

Special Dietary Needs That Are Not a Medical Condition:

Food service may make food substitutions for reimbursable meals, at their discretion, for individual children who do not have a disability/medical condition, but who have special dietary needs for other reasons such as religious, cultural, or other preferences when such substitutions meet the meal pattern. CACFP participating organizations are encouraged to accommodate reasonable requests, but are not required to do so. For these requests, the form may be signed by a parent/guardian/adult participant.

The form should include: an identification of the special dietary need that restricts the diet; the food or foods to be omitted; and the food or choice of foods to be substituted.
