

CAMP SAFETY

After a Legendary Summer Camp in 2020, we learned how to keep our campers safe. This is how we are committed to continue to keep camp safe and FUN!

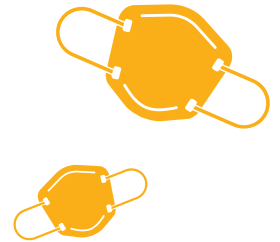

MASKS

- Masks are required where physical distancing is challenging.
- Camp Counselors will advise when it is safe to remove masks.

HEALTH CHECKS

- Please stay home if your camper is sick. We will see you once your camper is 24 hours symptom free without fever reducing medication.
- Health checks are done at drop off.

BEST PRACTICES

- Co-mingling will be reduced to a minimum through assigned camp groups.
- Buses have reduced capacity and assigned seats.
- Masks required on the bus.
- Curbside service will be used for pick up and drop off.

What sanitation protocols are you using for camp?

Crossroads Y has adopted a "Take 10" philosophy to focus cleaning and sanitizing all high traffic areas. At the top of every hour, designated counselors will be walking through areas to clean and disinfect. We are using industrial strength, CDC approved cleaning supplies to ensure disinfection. Toys, arts and craft supplies, and games will be circulated through a cleaning process between groups. Hand sanitizer is available in every program area. Frequent and intentional hand washing will be encouraged by camp counselors.

What happens when we are made aware of a positive case of COVID-19?

If we are made aware of a positive COVID-19 case, we will alert parents and staff in close contact. The person with a positive case will be required to quarantine away from the Y for 10 days and must be symptom free to return. The camp community will be made aware through Playerspace.

We will continue to monitor trends through the local health authorities and pivot accordingly.

CAMP FAQs

What is Playerspace and why are they emailing me?

Playerspace is a convenient app and communication tool we are using to strengthen the connection between camper families and the Y. It is your passport to camp!

- Safety tool for ease of drop off and pick up.
- View camp schedule.
- Communicate with camp staff.
- Receive camp newsletters and communications.
- Pictures will be posted often.

Please use the link you are emailed to set up and/or update your Playerspace account. Help can be found at www.playerspace.net or ask your Camp Director. If you have not received an email with your log-in credentials reach out to your Camp Director.

Will my pricing change if I have to change my registration?

Any changes and registration done after April 19 have the 2021 pricing.

What is the deadline for changes in registration?

Changes must be done by the Wednesday prior to your week of camp.

When are payments due and scheduled?

Payments will pull from your account weekly by the Wednesday prior to your week of camp. This is when payment is due.

Can I send my camper with medication?

No, for the safety of all campers and staff, the YMCA does not administer any medication.

*Exception: EpiPens and Inhalers as needed.
