WELCOME

Welcome to Summer Camp! We are glad that you have chosen our quality program to meet your needs this summer. ADVENTURE AWAITS in this best summer ever, filled with friendship, accomplishment, and belonging. Are your kids ready for an amazing summer? We're ready for your kids. And we can't wait to see them.

Every summer we teach your children about the Y's four core values of Honesty, Respect, Responsibility and Caring. To encourage our important values, we will look for children doing these behaviors every day. Please help us, to help your child become familiar with these values, by encouraging these behaviors at home and outside of the Y.

We are excited for camp and look forward to a fun summer full of activities with our campers. Again, welcome to Camp, and thank you for your commitment to our program. With your help, we can build strong kids, strong families, and strong communities.

MISSION

To put Christian principles into practice through programs that build healthy spirit, mind, and body for all.

VISION

The YMCA will change Lake County through leadership in programs that nurture lifelong development of individuals and families.

PHILOSOPHY

To provide a safe, fun, exciting camper driven experience through the demonstration of our 4 core values and practicing a member and camper 1st philosophy.

OUR STAFF

Each staff member is carefully selected after a rigorous interview process based on their proven abilities working with children and their desire to support our mission. All staff members must demonstrate exceptional character, and undergo extensive screening including a national sex offender database check and criminal background checks. Staff are certified in CPR and First Aid by the Red Cross. Pre-camp training includes outdoor skills, activity facilitation, managing group dynamics, safety and health training, child development and more. We believe in building a diverse, skilled, ethical and passionate staff to provide the best experience for our campers.

ACCESS FOR ALL

Summer Camp helps build the kindness of future leaders. However, we can only do it with the help of foundations, community partners and people like you. When you give, you help inspire go-getters who aren't afraid to take risks and get their hands dirty. You motivate principled citizens to stand up for what's right no matter how tough it is. You show the next generation of leaders how to love one another, take responsibility for their actions, stand up for others, and grow in confidence. When you give to the Crossroads YMCA, you transform lives.

Help us make a difference and create memories for another child by making a contribution at give.crymca.org.
