

# 2023 ANNUAL REPORT

CROSSROADS YMCA

**“The YMCA is full of warriors, people who show up every day despite the challenges they face. We may not always know what someone else is going through, but we stand together. If you’re someone who feels unsure about trying out a class or stepping into the fitness area, know this: you’re not alone. The YMCA is a place where people lift each other up, where staff and members alike are ready to help.”**

## A LETTER FROM JAY BUCKMASTER

Dear YMCA Family,

As I reflect on this past year, I am filled with gratitude and pride for what we have accomplished together. At the YMCA, we have always strived for strengthening community through programs and services that support youth development, healthy living, and social responsibility. In 2023, we faced new challenges, embraced new opportunities, and made a lasting impact on the lives of thousands of children, families, and individuals in our community.

One of our greatest accomplishments this year was our ability to adapt and grow in the face of change. Thanks to the unwavering support of our members, donors, staff, and volunteers, we were able to expand our programs to reach more families and individuals. Our youth development programs saw an increase in participation, allowing us to provide safe spaces where children and teens could learn, grow, and thrive. Our camp programs and after-school activities helped shape the futures of many young people, offering them opportunities to build confidence and connect with positive role models.

In addition to youth programs, our commitment to healthy living has never been stronger. We have expanded access to wellness programs for all ages, from fitness classes to chronic disease prevention initiatives. We have worked hard to ensure that everyone, regardless of their financial situation, has access to the resources they need to lead a healthy and fulfilling life. Our financial assistance program supported over 17,000 families, making it possible for them to benefit from all that the YMCA has to offer.

At the heart of the YMCA is our mission to bring people together, and this year, we did just that. Whether it was through community events, volunteer opportunities, or collaborative partnerships, we united individuals from all walks of life. We are proud to have partnered with local organizations and businesses to address some of the most pressing issues facing our community, from food insecurity to mental health support.

Our YMCA has always been a place where people can find a sense of belonging, and this year, we doubled down on our commitment to inclusivity. As we look to the future, we remain steadfast in our mission to serve the community. We are excited to continue expanding our programs and services, with plans to invest in new facilities, technology, and resources that will allow us to reach even more people. Our vision for the coming year includes expanding facilities in Gary, a New Sports Center in Crown Point to serve all Crossroads YMCA members, and expansion at Triangle Hills Day Camp & Retreat Center. In addition, we will be growing our impact in youth mental health, enhancing our outdoor adventure programs, and launching new partnerships aimed at addressing critical social issues.

We could not do any of this without the dedication of our staff, volunteers, members, and donors. Your commitment to the YMCA and your belief in our mission make all of this possible. Together, we are building a stronger, healthier, and more connected community.

Thank you for your continued support and for being part of the YMCA family. Together, we are making a lasting difference.

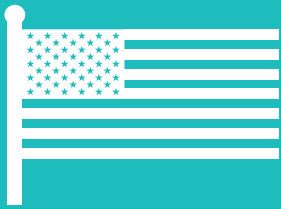

Sincerely,

Jay Buckmaster  
President/CEO, Crossroads YMCA

## DEEPENING OUR DONOR RELATIONS

At the Crossroads YMCA, we are deeply committed to strengthening our relationships with our donors, whose generosity fuels our mission to serve the community. In 2023, we took a significant step by hiring a Director of Development dedicated to engaging our supporters throughout the year. Here are some of the key ways we've enhanced our donor relations:

- 1. Year-Round Engagement:** Our new Director of Development has implemented a comprehensive strategy to keep our donors connected and informed. This includes inviting donors to our Annual Meeting, which offers a unique opportunity to see the impact of their contributions firsthand.
- 2. Monthly Supporter Newsletters:** These newsletters are designed to keep our supporters updated on our programs, success stories, and upcoming events, ensuring they are always in the loop.
- 3. Personal Touches:** We understand the importance of personal connections. That's why our YMCA kids club members hand-color birthday cards for our donors, adding a heartfelt touch to our communications.
- 4. Camp Tours:** We invite our supporters to join us on tours of our camps, providing them with a firsthand look at the positive changes their donations are making in the lives of children and families.
- 5. Impact Report:** We proudly shared our impact report, which highlights our growth from 2018 to 2023 and showcases the transformative work happening in Lake County, Indiana.
- 6. Income-Based Scholarship Program:** Out of our 120,000 members, 20,000 (or 1 in 5) benefit from our financial assistance program. This means that thanks to our donors, many children can participate in swim lessons, attend camp, and join sports leagues, while adults can engage in group exercise classes and social groups.

We prioritize our donor relations because we know that without the financial support of our community, we would not be able to continue making such a significant impact. Donor support allows us to provide vital programs and services to those who need them most, and for that, we are profoundly grateful.
